Co-Located Expos

Tent, Decor & Catering Expo

Buysell Interactions Private Limited presents the 2nd edition of Tent, Decor & Catering Expo, scheduled for 25–27 September 2026.

Building on the success of its debut edition in Calicut, the expo returns stronger—bringing together manufacturers, suppliers, rental companies, service providers, event planners, and industry professionals from across the region and beyond.

With the rapid rise of destination weddings, premium events, themed décor, and experiential hospitality, Kerala's event industry is witnessing significant growth. This B2B platform enables businesses to explore new markets, showcase innovations, connect with key buyers, and network with decision-makers in the evolving wedding and events ecosystem.

Why Kozhikode?

Strategically located, the city attracts visitors from across Kerala as well as nearby Tamil Nadu and Karnataka, within a 200 km radius — making it the ideal hub for a large-scale industry-specific expo.

Calicut Trade Centre, Kozhikode

The venue—Calicut Trade Centre—is one of the biggest and finest in the state. With excellent connectivity and limited competition for such expos in the region, brands can tap into a high-potential, underserved market. Kozhikode offers the perfect blend of accessibility, audience quality and growth potential for a successful tent, decor and catering industry exhibition.
