Photo Today Expo Madurai - 2nd Edition

Madurai, known as the cultural capital of Tamil Nadu, continues to be an ideal destination for the Photo Today – Photography, Videography, and Digital Imaging exhibition. Following the success of its inaugural edition, the 2nd Edition further strengthens Madurai's position as a key destination for the industry. Its rich heritage, vibrant festivals, strategic location, and excellent connectivity make it a prime venue, providing easy accessibility to professionals from across Tamil Nadu and neighbouring states like Kerala.

The photography and imaging industry is rapidly growing, with increasing demand for high-quality services in weddings, festivals, events, and content creation. The expo provides a valuable platform for industry professionals to discover the latest products, technologies, and solutions while exploring new business opportunities.

The Photo Today Expo in Madurai, happening on 26 & 27 September 2026, is the perfect opportunity to stay updated with new trends and innovations!
