CHENNAI

Discover. Experience. Create.

Join us this December in Chennai and experience a future-forward showcase of cutting-edge imaging, media and technology, alongside exciting opportunities for creators and industry professionals.

CHENNAI | BANGALORE | DELHI

India's imaging, media, and consumer electronics market is undergoing rapid transformation, driven by the widespread adoption of smartphones, booming social media platforms, OTT content, and the ever-growing wedding & event industry. Demand for professional photography, videography, digital imaging solutions, and consumer electronics continues to surge, creating opportunities for businesses and creators alike.

Photo Today + Consumer Electronics Expo 2026 is a one-of-its-kind industry platform that brings together the entire ecosystem—photographers, videographers, content creators, imaging professionals, technology providers, and consumer electronics brands—under one roof.

The expo will be held at the EVP Trade & Convention Centre, Chennai. It is one of the city's newest premium venues for exhibitions, trade shows & large-scale events. Strategically located on the Chennai-Bangalore Highway, it offers excellent connectivity, expansive halls, modern infrastructure & ample parking, making it an ideal setting for an expo of this scale.
